

Heatilator Eco-Choice wood and pellet burning stoves combine dependability and value from a brand you know and trust for hearth products. Featuring simple technology that's easy to operate and maintain, Heatilator Eco-Choice stoves provide clean and efficient heat. With a simple design plus quality you can see and feel, these freestanding stoves will deliver warmth and comfort in any room.

Save money while being green

Reduce your heating bills and live green by utilizing renewable fuels. Pellet fuel is the cleanest burning biomass fuel available. Wood stoves are EPA-certified and clean-burning

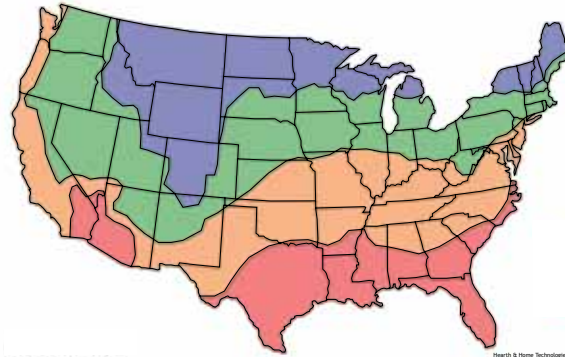

Easy to use and maintain

Eco-Choice pellet stoves have large hoppers to hold plenty of fuel, include large ash pans and a fully-opening firepot bottom for easy maintenance. Eco-Choice wood stoves feature a wide door opening with single-lever operation and an air wash system to keep the glass clean. The secondary wood combustion system gives you cleaner burns and less maintenance.

It's a Heatilator

Manufactured in the U.S.A. by the world's leading hearth company - known for value and dependability

Heat Capacity by Zone

Heatilator & Hearth Technologies - 2008

Zone 1 (blue) Zone 2 (green) Zone 3 (orange) Zone 4 (red)

Does not take into consideration micro-climates within a zone.

Product	Peak Btu/Hr Output	Zone 1	Zone 2	Zone 3	Zone 4
WS18	41,800	1,130	1,320	1,650	2,060
WS22	55,600	1,580	1,840	2,250	2,780
PS35	35,000	740	860	1,130	1,430
PS50	50,000	1,220	1,420	1,770	2,200

*Heating capacity (in square feet) is a guideline only and may differ due to climate, building construction and condition, amount and quality of insulation, location of the heater, and air movement in the room. Btus will vary depending on the type of fuel used.

Limited Warranty†

Heatilator Eco-Choice provides a 5 year warranty on the most important aspects: firebox and heat exchanger.

Your Heatilator Eco-Choice dealer is:

†For complete warranty details, see your Heatilator Eco-Choice dealer. Refer to installation manual for detailed specifications on installing this product. Heatilator ECO-CHOICE reserves the right to update units periodically. The flame and ember appearance may vary based on the type of fuel burned and the venting configuration used.
